Women Suffer

much needless pain when they delay using Cardui for their female troubles. Cardui has been found to relieve headache, backache, pain in the side and diz-ziness arising from deranged organs. It does more than relieve,—if used persistently,—many have written to say that it cured them.

It Will Help You

Mrs. Maxwell Johnson, Tampa, Fla., writes: "Cardul cured me after doctors and everything else had failed. I had been suffering with numb spells ever since I was 16 years old. One day I decided to take Cardui. I have now taken 5 bottles and I can say that it has cured me. I advise all suffering women to give Cardui a long and fair trial."

Mrs. Johnson suffered years. Have you? Do you wish to? But why suffer at all? Take Cardui. Give it a fair trial.

THE SOUTH POLE. Lieutenant Ernest H. Shackleton, of

he British pavy, who left his permanent quarters last autumn for a dash to the south pole, succeeded, after an arduous sledge journey of 1,708 miles, which ocsledge journey of 1,708 miles, which oc-cuopled 126 days, to reaching within 111 miles of the south pole, or 354 miles nester than the point attained by the discovery expedition, of which he was an officer. He has thus planted the British first at "Farthes South."

As the expedition to the south was undertaken rather for the purposes of geographical survey than with the idea of reaching the pole itself, it may be said to have succeeded beyond the most sanguine expectations.

The men in the expedition suffered intensely, facing an almost continuous blizzard, and risked death often.

His body was found yesterday morning lying on the floor of his home near his store, where he lived alone, a shattered window pane giving evidence that the assassin had fired upon his victim from without.
